

Touch SMART

The logo features the word "Touch" in a dark grey sans-serif font, with the letter "o" replaced by a solid orange circle. A dark grey silhouette of a hand with the index finger pointing upwards is positioned to the left of the orange circle, appearing to touch it. To the right of "Touch" is the word "SMART" in a lighter orange sans-serif font. Below the word "SMART" is a horizontal bar composed of four equal-width rectangular segments in red, yellow, green, and blue from left to right.
