

The Sanix logo features the brand name in a bold, white, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating above or attached to the red background. The background is a vibrant red, curved shape that resembles a stylized flag or a dynamic banner. There are several bright, white, starburst-like highlights on the red background, particularly around the top and bottom edges of the text, which adds to the sense of motion and energy.
